

The map is a detailed topographic representation of the Le Pease de Roussillon area. A thick black line delineates the commune boundary, while a dashed line indicates the study perimeter. The Rhône river flows along the left side of the map. Numerous villages and hamlets are labeled, including St-Maurice-l'Exil, Port-Vieux, Limony, and various smaller settlements like Chanines, Colombier, and Buisard. The map also shows the Barrage de St-Pierre-de-Bœuf and the Ile de Brez. A legend in the upper right corner defines the symbols used for the commune boundary and the study perimeter.
