Commune de Maignaut-Tauzia

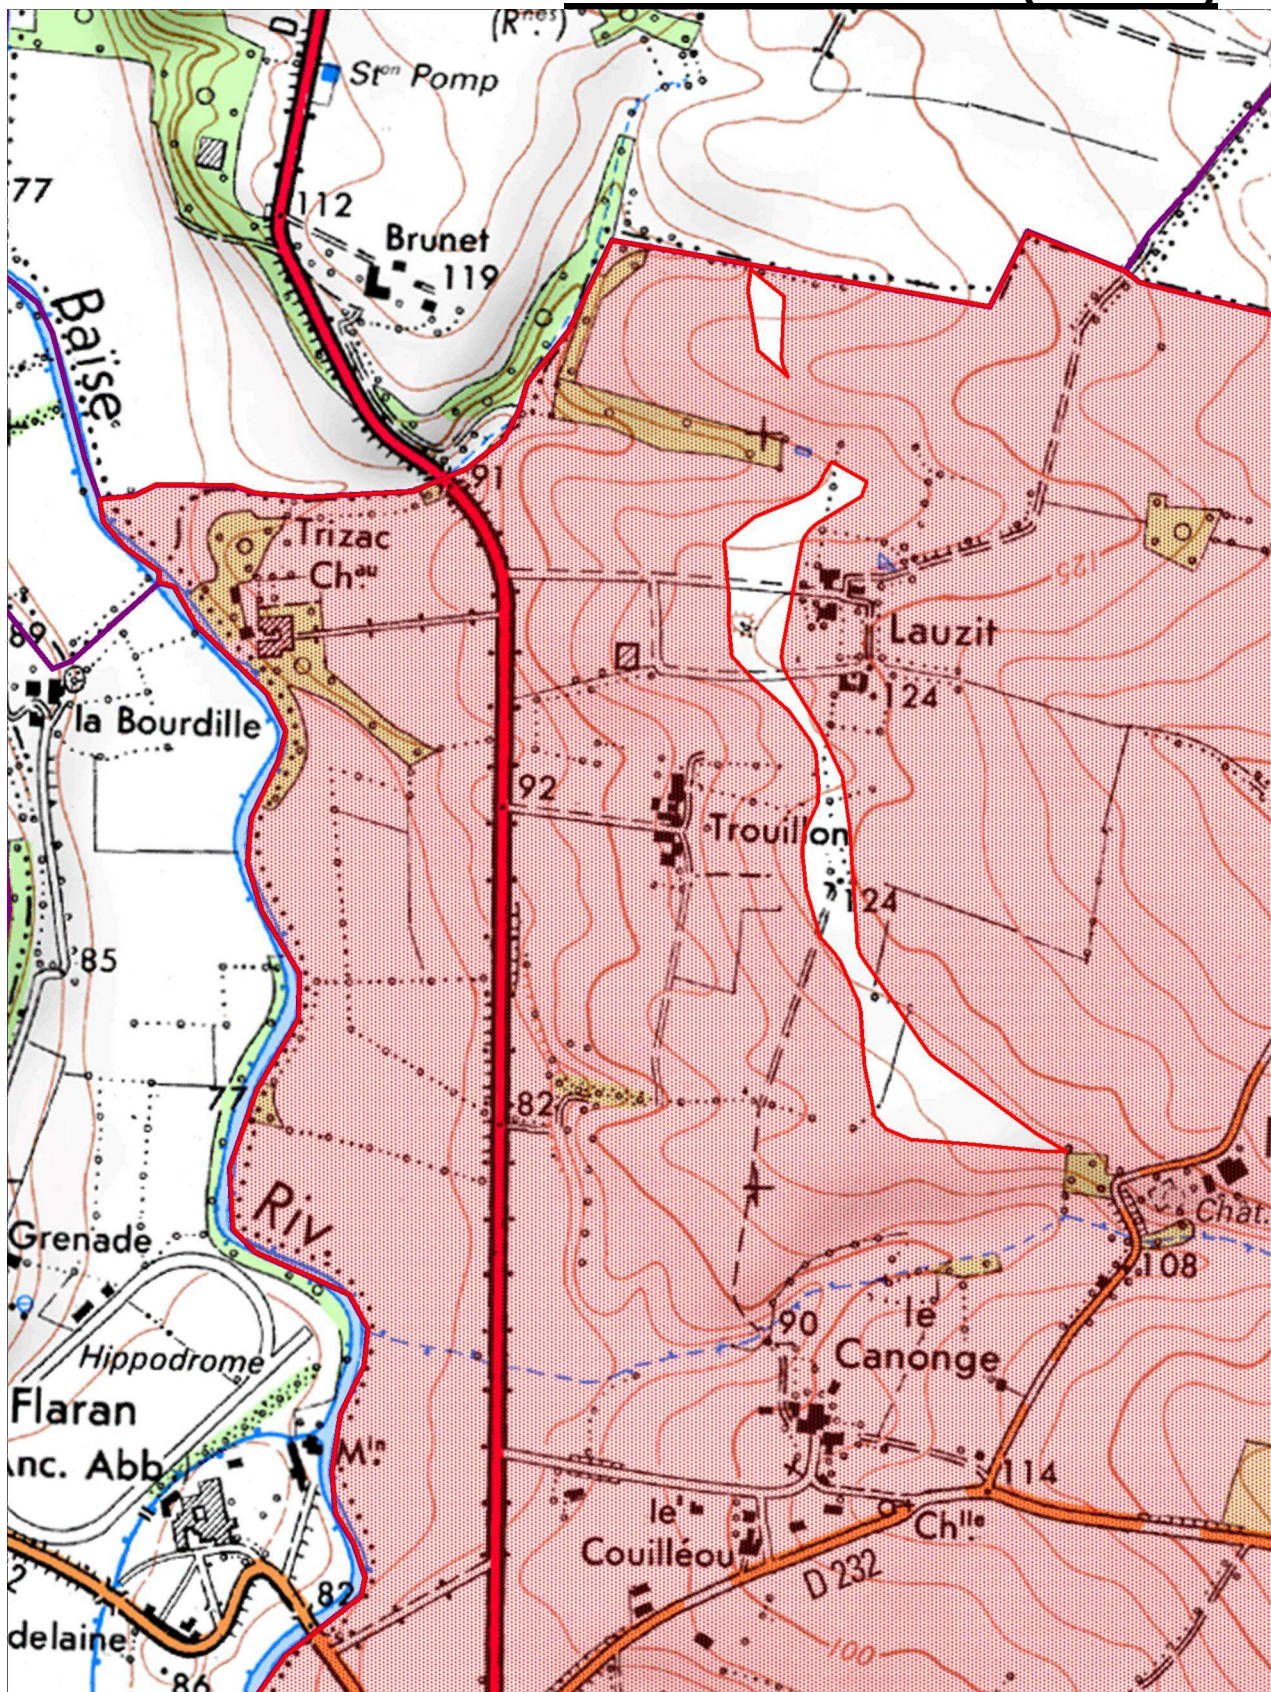

ZONAGE RÈGLEMENTAIRE

The map shows the commune of Maignaut-Tauzia, which is outlined in red. A green rectangle highlights a specific area within the commune, primarily in the western and central parts. The town of Valence-sur-Baïse is located in the lower-left quadrant, situated on the left bank of the Baïse river. The river flows from the north towards the south, then turns east. The map features numerous contour lines indicating elevation, with peaks reaching up to 166 meters. Various roads are marked with numbers like D 30, D 142, and D 331. Other towns and villages shown include Beraut, Armagnac, la Bourdieu, la Salle, Bidolat, and la Ribèrette. The map also shows several smaller settlements and hamlets, such as Brunet, Trizac, Lauzit, Augé, le Plechal, Labonne, and la Ribèrette. The terrain is a mix of agricultural land and wooded areas, with some green shading indicating forested regions.

Le territoire de la commune est en grande partie concerné par le risque (Voir pages suivantes le détail des secteurs exclus
